[Shollym Patch 2013 14 Download](#)

Championship and Ex-Yugoslavia teams version – Option file with all transfers, all correct squad numbers and fully updated first lineups, player age correct – There are 3 versions of Option file, Normal and 2 Option file with changed gameplay (the game physics are closer to real football game) + a bonus Option file with Futsal teams.. – Option file with all transfers, all correct squad numbers and fully updated first lineups, player age correct – For each of 3 versions of the patch there are several versions of Option file, Normal and Option files with changed gameplay (the game physics are closer to real football game) + a bonus Option file with Futsal teams to play 6 vs 6.. 0_text and e_text: – club teams and national teams flags by customizer – some graphics by DJ2Mello and arip – banners by LeeST, baba_a, Marinho, Cuervo, Edwin, Amir_Pjanic, pendula_kg, mauri_d – better looks of crowd – updated crowd textures by Astracel – true currency in Master League (euro) by Alex 1912 – new referees kits by ahdstret8 – scoreboards by FdL1899, allezlinter, trkyhaker and Loki – real trophies patch by Txuki2005, MHF, betamax – real referee faces and names by Teco, Bocatatun_14, Albiceleste.

– All Classic players removed and replaced with free agents for full Master league experience (IMPORTANT!! Improved Master league and other Cup/League competitions: This is mostly as a result of balanced teams qualities so now every COM opponent is harder to beat, and scores of other COM teams in the league are now various so you can't have a situation as we had before when for example after 10 rounds Man.. This is the reason why many people noticed that the game is changed after they played this patch for the first time, especially if you use Shollym gamelay option file which is even more harder and closer to real football experience.. - Svi Classic igraci su zamenjeni VAZNO!! Direktni linkovi za download, Torrent link, uputstvo za instalaciju i ostale korisne informacije u vezi patch-a se nalaze medju tekstualnim fajlovima u 'All Download links': Winter update 2013 Mart Download: Molim vas da procitate SVE unutar ovih tekst fajlova koji se nalaze u 'All Download links' pre nego sto postavite pitanje na koje je mozda tamo vec odgovoreno.

shollym patch 2017

Adobe Illustrator CS6 with Crack Free Download Full Version Adobe Illustrator® CS6 Cracked Free Download Full Version is logo maker of the year each time.. SHOLLYM MULTI-PATCH 2012/2013 , 11:14 #2 Shollym Multi-Patch 2012/2013 – 4 patches in 1 1.. Utd and Chelsea have 9 or 10 league wins, this contributes to a very interesting competition that is closer to reality where big and expensive teams can often loose or play draw against weaker opponents.. – All Classic players removed and replaced with free agents for full Master league experience (IMPORTANT!! Microsoft Patch Download– Switching between all 3 versions is very fast and easy and it is explained inside the installation manual file.. AI: Improved AI, especially

player movements in defence because of improved teamwork stats players (especially side backs) come back more often and fill the empty gaps on the sides or cover opponents – as a result of this it is very difficult to score any goals from 5 yard box or one of those goals when you give a return ball to your player standing 20 m from the goal and then he fires almost a certain goal, these are well known PES 6 goals and believe me with this patch they are very hard to score because of improved goalkeepers and reduced weaker foot accuracy. e10c415e6f
